Blade Runner is the soundtrack album for the 1982 film *Blade Runner*, composed by Greek electronic music composer Vangelis. It is mostly a dark, melodic combination of classical composition and synthesizers which mirrors the futuristic film noir envisioned by director Ridley Scott. The original soundtrack release was delayed for over a decade, until 1994, despite the music being well-received by ...

Filming has officially started on Denis Villeneuve's reboot of Dune, which has also released an official synopsis. Published in 1965, Frank Herbert's novel Dune went on to become a classic of science fiction, with its mythic story of a far future world ruled by warring families and tied together by a mystical substance called the spice. David Lynch turned Dune into a movie in 1984, but the film ...
