Comic Book Templates - The Kitchen Table Classroom

My boys are all about the comic books at the moment. I'm not even sure what started it, the big kids have been reading comics and graphic novels off and on for ages, and the little one loves them for all the cool pictures, but just recently the boys started making their own, and so I made them some printable comic book templates to help them along.

A new comic strip about a library. - Library Comic - A ...

For every Spider-Man or Superman, there are hundreds of comic book characters you have never heard of. While many of these just didn't hit the market and impress readers, leading to their inevitable demise and relegation to the 10-For-a-Dollar box, some were so incredibly racist, misogynist, or culturally and ethnically insensitive they stood out as examples of what not to do when creating comics.

Most inappropriate comic book characters ever - grunge.com

We asked the parents and teachers who frequent our web site for their ideas about how to encourage kids, especially those who aren't excited about books, to do more reading. Thanks to all you tip-sters out there, we received tons of advice, which we've summarized in the seven tips below.
