
Indians Fur Trade Roles Trappers

historical narrative: american indians-the iroquois - ohio, defeating many tribes between the great lakes and the ohio river in what came to be known as the beaver wars, a title resulting from their expansionist motivations to find more **encyclopedia of religion and nature** - static set of dogma and precise rituals, locked in a past that can only be duplicated. rather, it is a dynamic belief system, respectful of and linked to past practices **native american cultures: family life, kinship, and gender** - exists the idea of "teasing cousins." teasing cousins could ridicule other teasing cousins into proper behavior. the teasing, often conducted in public, resulted in the person being
